MEMORANDUM FOR THE RECORD

**SUBJECT: Concurrence in Definitive Contract No. FL-3011
with Westinghouse Electric Corporation, Baltimore,
Maryland - Project EQUINE.**

1. Definitive Contract No. FL-3011 replaces Letter Contract No. FL-3011 approved by the Director of Central Intelligence by memorandum dated 29 July 1955. The Letter Contract obligated \$500,000. of Fiscal Year 1956 funds chargeable to Appropriation 21x6889.

2. As Project AQUATONE developed since the execution of Letter Contract No. FL-3011 and decisions were made as to the operational requirements of the equipment, the precise nature and quantities of the equipment were correspondingly defined. Accordingly the Schedule of the Definitive Contract sets forth these current requirements which total \$1,080,455, leaving a balance of \$580,455 to be obligated out of Fiscal Year 1956 Funds, chargeable to Appropriation 11x2150.

3. The Definitive Contract is a fixed-price type with provision for redetermination of the price during the performance period of the contract and as soon as practicable after 1 March 1956. The scope of this contract provides for the design, fabrication and delivery of a high resolution, single channel side looking radar equipment and related items for use in high altitude aircraft. Subsequent contractual arrangements will be negotiated for additional spare parts, an antenna for Item 2, and additional engineering, liaison and maintenance services.
